## **VOLUNTEER AREAS**

### **QUALICO'S CLAYGROUND**

Children dig into clay and create their own miniature masterpiece. They then add their creation to the main sculpture and watch as the castle grows through the week.

### **PORTABLE ART TENT presented by ABCRC**

This is a large activity area where volunteers guide and encourage children's creativity with pre-planned crafts. This year the craft is percussion instruments made out of recycled materials.

### **SCHOLAR'S CHOICE ACTIVITY CENTRE**

In the Scholar's Choice Activity Tent, children are encouraged to build whatever their imagination creates. Come To Play!!

### **TUNES TENT presented by Alberta Milk**

Here's your chance to be the master of ceremonies at a Karaoke Tent. Assist people with their song selection, then stand back and let the stars shine.

### **YOUTHINK COMICS CORNER**

Back by popular demand! Volunteers will assist young people with the creation of their very own comic books.

### **WAX HANDS**

A Festival favorite of both volunteers and patrons alike. Volunteers will help children cast their hands in wax and dye it with funky colours.

### **NYLON ZOO/HANDS-ON-PLAYGROUND**

Lead group games and supervise children in this active play area that uses hula-hoops, balls, and so much more. This activity requires volunteers that have lots of energy and enthusiasm. In the Nylon Zoo you will assist children in dressing up in brightly coloured costumes and leading them in a parade around Olympic Plaza.

### **PAPER MARBLING: EXPERIMENTS IN COLOUR**

New this year! Join the Art Gallery of Calgary in working with children to experiment with line, shape and colour as they never have before. Kids will be amazed by the wonderful design they create by using this simple and fascinating technique.

### **AMBASSADOR CREW**

The Ambassador Program is a very crucial and necessary position for the Festival. Volunteers will meet buses and guide groups to theatres to ensure they get to shows on time.
